DELIVERING 
happiness™

**“It’s a movement that just happens
to have a book...”**

– Seth Godin

...and a clothing line!

Delivering Happiness started as a best-selling book, became a bus tour, and then turned into something bigger than we ever imagined... [a global happiness movement](#). Today, we use science, academics, and real-world best practices to help you make happiness the core of your business model and the driving force behind your personal passions.

Now, we’re inviting you to use your clothing to make a statement with us. As a community, we’re determined to share our passion and purpose for happiness with the world, and to create change more than we ever thought possible. When you wear an item from the [Delivering Happiness collection](#) you look good and feel good, and also tell the world that you’re here to [inspire and be inspired!](#)

What is Delivering Happiness?

What We Do

We inspire passion and purpose for a happier world

How We Do It (3Cs)

We provide products and services to:

- **ME (happier people)**

We create products that inspire passion and purpose in our daily lives. Created with love and infused with joy, our products encourage positive thoughts and spark conversations — [*Clothing collection | Happy goods | Workshop materials | Office products*]

- **WE (happier companies)**

We provide culture consulting that uses the science of happiness to create successful and sustainable organization. Happiness is seriously good for business — [*Keynotes | Speaking engagements | Workshops | Tools, Metrics & Measurable results*]

- **Community**

We are a global community that believes in changing the world with happiness. With all of us working together towards the greater goal, together we're nudging the world to a happier place — [*Social media | inspire! events (mini TED talks) | VHP community*]

Why We Do It

We believe that by prioritizing happiness in work and life, we can create change in the world more than we ever thought possible.
